BUKIT DINDING AND THE FUTURE OF KL'S DEVELOPMENT

Meenakshi Raman, President, Sahabat Alam Malaysia | Dr Camelia May Li Kusumo, Associate Professor at the School of Architecture, Building and Design, Taylor's University
29-Sep-22 18:00

Bukit Dinding And The Future Of KL's

00:00 / 56:16

We look at how we're developing the Klang Valley, with Bukit Dinding in the headlines. First, we talk about one of the central points of contention: how do environmental impact assessments, or EIAs fit into conversations around new developments? And then - what should be prioritised when it comes to developments in KL?
