Dear Dr. Chong,

We have received the submission entitled: "Lung-infiltrating T Helper 17 Cells is the Major Source of Interleukin-17A During Pulmonary Cryptococcus neoformans Infection" for possible publication in Medical Microbiology and Immunology, and you are listed as one of the co-authors.

The manuscript has been submitted to the journal by Dr. Dr. Won Fen Fen Wong who will be able to track the status of the paper through his/her login.

If you have any objections, please contact the editorial office as soon as possible. If we do not hear back from you, we will assume you agree with your co-authorship.

Thank you very much.

With kind regards,
