

Evidence from Pharmacy Practice

The screenshot displays the website for Pharmacy Practice. At the top, there is a dark blue navigation bar with social media icons (envelope, Facebook, Twitter, LinkedIn) on the left and links for Publisher Home, English, Register, and Login on the right. Below this is a large dark blue header with the journal title 'Pharmacy Practice' in white. A secondary navigation bar contains links for HOME, ABOUT, IN PRESS, CURRENT, ARCHIVES, AUTHORS, and FOR REVIEWERS, along with a search box and a 'Search' button. The main content area is white and features the 'In Press' section. Under 'Original Articles', there are two entries: one about medication complexity in Indonesia and another about medication adherence in hemodialysis patients. A sidebar on the right contains a 'Make a Submission' button, a 'Browse' dropdown menu, and a list of categories with links to editorial policy, simulated patient technique, community pharmacy integration, and medication adherence. The footer is a dark blue bar with journal information and a privacy policy link.
